
CERTIFICATE OF INVITATION

April 10, 2018, London

To Whom it May Concern,

IntechOpen is leading publisher of Open Access books. Built by scientists, for scientists. We strive to produce high quality publications that are of benefit to the community of scholars throughout the world. Thus, when selecting authors to contribute to our publications we apply a rigorous set of criteria. IntechOpen selects only experts within a particular scientific field based on:

1. Field of research
2. Publication history - a record of scientific accomplishment documented by contribution to scientific literature or other evidence of scientific accomplishment and
3. Relevance, quality and impact of past publications

After successfully meeting these criteria, Dr. Vladimirov has been invited to participate in the book project under the working title "Embryogenesis", ISBN 978-953-51-6453-1.

Sincerely yours,

IntechOpen
